IN RE: **APPLICATION OF ENTERGY LOUISIANA, LLC FOR APPROVAL TO ACQUIRE COTTONWOOD GENERATION FACILITY AND FOR COST RECOVERY**	))))	**DOCKET NO. U-37801**

UNOPPOSED MOTION TO SUSPEND PROCEDURAL SCHEDULE AND SET A STATUS CONFERENCE

Entergy Louisiana, LLC ("ELL" or the "Company"), through undersigned counsel, respectfully requests to suspend the remainder of the Procedural Schedule in this matter and set a status conference for the purpose of establishing a new schedule with a later Hearing date. The purpose of the requested suspension is to allow the parties additional time to conduct additional discovery regarding the issues in the case, which are complex and fact intensive. ELL respectfully submits this Unopposed Motion to Suspend Procedural Schedule and shows as follows:

1.

On December 3, 2025, ELL filed an Application with supporting testimony and exhibits seeking certification, in accordance with the Louisiana Public Service Commission's ("LPSC" or "Commission") General Order dated September 20, 1983 (the "1983 General Order"), that the public convenience and necessity would be served by ELL's acquisition of the Cottonwood generating facility ("Cottonwood").

2.

On January 20, 2026, ELL, the LPSC Staff, and the sole intervenor in this case—Louisiana Energy Users Group ("LEUG") participated in a Status Conference before the Chief Administrative Law Judge. Following the Status Conference, the Tribunal issued a Procedural Schedule, which is currently in place. The current Procedural Schedule calls for a Hearing in early

September 2026, with Pre-Hearing deadlines that fall over the next several weeks.

3.

On June 5, 2026, the LPSC Staff filed its Direct Testimony raising various issues and questions about the timing of the need for Cottonwood, cost recovery, and other matters. On July 24, 2026, ELL filed Rebuttal Testimony.

4.

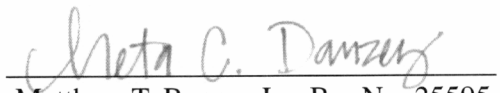

Based on the current Procedural Schedule, the deadline for discovery and depositions is August 7, 2026; however, considering the complex and fact intensive issues in the case, additional time is needed to conduct discovery regarding those issues. The Company therefore respectfully requests that the current Procedural Schedule, including all remaining procedural deadlines, be suspended. The Company further requests that the Tribunal schedule a status conference in the coming weeks for the purpose of setting new Pre-Hearing deadlines and a new Hearing date. Between now and the date of the status conference, the Company would work with Staff and LEUG in an effort to agree on a revised schedule and submit it to the Tribunal for consideration.

5.

ELL consulted with counsel for Staff and LEUG with respect to the relief requested by this Motion, and each has authorized ELL to represent that they have no objection to the granting of such relief. Accordingly, this Motion is unopposed.

Wherefore, for the reasons set forth above, Entergy Louisiana, LLC respectfully requests that the Tribunal suspend the existing Procedural Schedule in this matter, including all remaining deadlines, and set a Status Conference in the coming weeks for the purpose of setting new Pre-Hearing deadlines and a new Hearing date.

Respectfully submitted,
