The regular meeting of the Board of Directors of Beauregard Electric Cooperative, Inc. (sometimes referred to herein as the "Cooperative"), was held in the office of the Cooperative located at 1010 East First Street, DeRidder, Louisiana on Tuesday, July 7, 2026 at 9:00 a.m.

The meeting was called to order by Mr. Tommy Cryar, President, who acted as chairman of the meeting. Mr. J.R. Hickman acted as secretary of the meeting. Ms. Sarah Lott prepared the minutes for the Board's review and approval.

Upon the calling of the roll, the secretary reported that the following directors were present:

Mr. Donald Bush
Mr. Tommy Cryar
Mr. Ricky Deggs
Mr. J. R. Hickman
Mr. Dan O'Dell
Mr. Alan Slaydon
Mr. Douglas Sonnier
Mr. Jeff West
Mr. Scott Kyle

Mr. Mike Viator, General Manager, was in attendance, as were Ms. Sarah Lott, Mr. Bobby Brown, Mr. Joe Carriere, Ms. Kelly Lewis, Mr. Mike Luttrell, Ms. Melissa Simpson, Mr. Eric Tucker, Ms. Mayson Victor, and Mr. Josh Young. Ms. Shayna Sonnier, attorney with Veron Bice, LLC, was also present, along with member Ms. Heather Newton.

Following an invocation and recitation of the Pledge of Allegiance, Mr. Slaydon moved, seconded by Mr. Bush, to approve the minutes of the June 2, 2026 regular meeting minutes as written. The motion carried unanimously, and it was:

RESOLVED, that the minutes for the June 2nd board meeting were approved as written.

Mr. Viator presented the General Manager's Report. A political update was provided regarding current activities surrounding election results and a general review of the election cycles at the Public Service Commission, along with a report on meetings attended on behalf of the Cooperative during the month of June.

The Board noted its review of the General Manager's Report. Mr. Bush moved, seconded by Mr. Deggs, to accept the General Manager's report as presented. The motion carried unanimously, and it was:

RESOLVED, that the General Manager's report be, and the same is hereby, accepted as presented.

Ms. Lewis presented the Finance Report and stated that operating margin was favorable $737K for May and unfavorable (3.3MM) year-to-date.

Next, she updated the board on sales and revenue comparison, cost of power, operating margins, gross margins, and MDSC ratio, which was projected at 1.4. The cooperative's equity was projected at 23%.

Ms. Lewis stated the Board Finance Committee conducted its mid-year review, which included an evaluation of cost center forecasts, projected MDSC, emergency line of credit repayment options, and capital project progress to date.

The Board noted its review of the Finance Report. Mr. Deggs moved, seconded by Mr. Bush, to accept the Finance Report as presented. The motion carried unanimously, and it was:

RESOLVED, that the Finance report be, and the same is hereby, accepted as presented.

Mr. Brown presented the Operations Report and provided an update on ongoing Operations Department projects, highlighting their impact on the reliability and performance of the Cooperative's system.

Dead trees removed from Right of Way: 96, year-to-date 486. Trimmed trees: 20; year-to-date 61. Spans Cut and Trimmed: 3; year-to-date: 14.

Updates were provided on mileage statistics, new services, May outage data, and system reliability. SAIFI and SAIDI metrics remain well within targets due to the reliability program, with no lost-time incidents reported.

The Board noted its review of the Operations Report. Mr. Kyle moved, seconded by Mr. O'Dell, to accept the operations report as presented. The motion carried unanimously, and it was:

RESOLVED, that the Operations report be, and the same is hereby, accepted as presented.

Ms. Simpson presented the Member Services Report, providing an overview of call volume, service order activity, May performance ratings, and competitive rate comparisons. Mrs. Simpson provided an update on the Member Service Department's

additional call initiative, which is designed to offer members an extra opportunity to address account balances and avoid service disconnections.

The Board noted its review of the Member Services Report. Mr. O'Dell moved, seconded by Mr. Bush, to accept the Member Services report as presented. The motion carried unanimously, and it was:

RESOLVED, that the Member Services report be, and the same is hereby, accepted as presented.

Mr. Carriere presented the Engineering Report. He provided updates on system reliability, infrastructure improvements, transformer repairs and ongoing pole replacement efforts. He reported that capital work remains focused primarily on routine system improvements, with substation projects progressing as planned.
