14. DISCUSSION concerning an amendment of Resolution No. 3674 for public comments by the Mayor, Council and Public on agenda items. I05-26 (Danielle Monceaux)

15. PUBLIC COMMENT

This ends the public comment section of the meeting.

ADJOURNMENT

The next regular City Council meeting will be held on Monday, September 14, 2026, at 5:30 p.m. in the Council Chambers located at 501 Willow Avenue, Sulphur, LA.

In accordance with Louisiana Revised Statute (R.S. 42:14, persons with an ADA recognized disability who needs accommodations to participate in this meeting must submit a request online at www.sulphur.org via "ADA to address Council" form or contact the City Clerk by phone at 337-527-4571 before 8:00 a.m. of the designated day of the meeting.

RESOLUTION NO. _____, M-C SERIES

RESOLUTION AUTHORIZING AN INVESTIGATION PURSUANT TO SECTION 2-08 OF THE HOME RULE CHARTER OF THE CITY OF SULPHUR INTO THE CITY'S HIRING, APPOINTMENT, SUSPENSION, AND TERMINATION PRACTICES TO DETERMINE COMPLIANCE WITH THE HOME RULE CHARTER, CITY ORDINANCES, ADOPTED PERSONNEL POLICIES AND APPLICABLE LOUISIANA LAW.

BE IT RESOLVED by the City Council of the City of Sulphur, Louisiana, the governing authority thereof, that they do hereby authorize and initiate an investigation pursuant to its authority under Section 2-08 of the Home Rule Charter of the City of Sulphur into the city's hiring, appointment, suspension, and termination practices to determine compliance with the Home Rule Charter, city ordinances, adopted personnel policies and applicable Louisiana law.

SECTION 1: Establishing an Investigative Committee

Upon adoption of this resolution, the Chairman of the City Council shall appoint a two person committee made up of council members which may include the Chairman to coordinate and direct the investigation within the scope of the Resolution to be referred to as the "Personnel Committee".

SECTON 2: Engaging Special Counsel

The Personnel Committee shall unanimously select and retain an attorney who is currently approved to defend the City of Sulphur at the rate of $250.00/hour to conduct the investigation according to their instructions and report back to the City Council within a reasonable time not to exceed sixty (60) days.

SECTION 3: Effective Date of Resolution

This resolution shall be applicable on the date of adoption.

APPROVED AND ADOPTED by the City Council of the City of Sulphur, Louisiana, on this _____ day of _____, 2026.

ARLENE BLANCHARD, Clerk

INTERGOVERNMENTAL JOINT COOPERATIVE ENDEAVOR AGREEMENT
between
City of Sulphur, Louisiana and SWLA Regional Planning Commission (SWLA-RPC)
State of Louisiana

THIS INTERGOVERNMENTAL JOINT COOPERATIVE ENDEAVOR AGREEMENT, made and entered into this _____ day of _____, 2026 by and between the City of Sulphur, Louisiana, hereinafter referred to as "City", a municipal subdivision of the State of Louisiana and the Southwest Louisiana Regional Planning Commission, a public agency established as State Planning District 5, hereinafter referred to as SWLA-RPC, desire to mutually cooperate in study, design, development, and implementation of the Federal Highway Administration (FHWA) SS4A Grant ID #: SS4A_FY25_P_307 "City of Sulphur Transportation Safety Action Plan" aimed at reducing roadway fatalities and serious injuries within the municipal corporate limits of the City.

PROJECT IDENTITY:
For purposes of identification and record keeping, the following reference project number: SWLA_RPC No. 2311 has been assigned to this intergovernmental joint cooperative endeavor agreement. The project number will identify all written communications, directives, invoices, progress reports, and other such documentation in connection with this agreement.

SCOPE OF AGREEMENT SERVICES:
The Project objectives and general scope of services to be undertaken or coordinated by and between the City of Sulphur and the SWLA-RPC are attached and identified as "Improvement Scope, Work Tasks and Deliverables" made a part hereof and incorporated herein by reference at the end of this intergovernmental agreement.

The SWLA-RPC will utilize all available facilities and personnel within its own organization and/or by subcontract with other public agencies, or subcontract with private entities for specialized technical and inventory support and coordination.

As need may arise during progress on "City of Sulphur Transportation Safety Action Plan" for purchase of any non-expendable equipment or instrumentation, other than that specifically included in the agreement, prior approval for its purchase as an item or items of the project cost must be obtained from the City of Sulphur. And, as need may arise during progress on City of Sulphur Safe Streets and Roads for All Plan Improvement Work Task" deliverables for specialized public or private subcontract support services or tasks other than that specifically included in the agreement, prior approval for such subcontracted needs and cost must be obtained from the City of Sulphur.

All matters related to this intergovernmental agreement will be processed through a "Project Coordinator" appointed by the City and a "Project Coordinator" appointed by the SWLA-RPC who will be identified in the Notice to Proceed with the work.

REGULAR REPORTING:
SWLA-RPC will provide quarterly verbal and written reports to the Mayor, Council, and City Engineer (Meyer & Associates) as accepted by the City Project Coordinator on progress to date on study, design, plan, development, and implementation for the City of Sulphur on "City of Sulphur Safe Streets and Roads for All (SS4A) Comprehensive Safety Action Plan Improvement Task and Deliverables" plan and improvements work task.

NOTICE TO PROCEED:
The period of performance, the time during which the SWLA-RPC may incur obligations to carry out the work of this intergovernmental agreement, is May 1, 2026 through April 30, 2031. A monthly invoice will be submitted to the City Project Coordinator as provided hereinafter under PARTIAL AND FINAL PAYMENTS.

CONTRACT TIME:
This intergovernmental joint cooperative endeavor agreement terminates on April 30, 2031. The services and deliverables to be performed under this intergovernmental agreement are to be completed

by April 30, 2031. The SWLA-RPC is required to submit all eligible incurred costs and required performance and financial reports or Project records specified in this agreement within 45 days after the termination of this intergovernmental agreement.

COMPENSATION:
Compensation for the services and deliverables performed under this intergovernmental agreement will be based on an hourly billable rate established and adopted between the City of Sulphur and the SWLA-RPC and for such equipment, material and subcontracting costs as approved by the City of Sulphur. It is the mutual objective and purpose of this intergovernmental joint cooperative endeavor agreement to reduce cost, increase productivity and maintain street planning services for the City of Sulphur as specified in "Scope of Work and Deliverables" for an amount of compensation not to exceed $400,000 over the estimated five-year agreement period beginning May 1, 2026 through April 30, 2031. The maximum limitation specified herein may be revised in the event changes in the scope, complexity or character of work and deliverables, but only upon receipt of the prior written approval of the City of Sulphur.

Each item of equipment and/or material purchased for this project will include: (1) Voucher Number; (2) Date of Purchase; (3) Agency from which purchase was made; (4) Description of the equipment and/or supplies; (5) Number of items and cost per item; and (6) Amount charged to the project. Rental charge will include the period covered and the amount charged to the project. Payments will not be made for repairs of equipment owned and normally maintained by SWLA-RPC.

Charges for trips made in connection with the project will be claimed by showing the following: (1) Person making the trip (2) Indication as to what the charges are, such as per diem, car mileage and rate, and (3) Amount charge to the project. The cost of unforeseen travel, not specifically stated in this agreement, will not be considered as an item eligible for reimbursement unless prior approval for such travel is given by the City of Sulphur.

PARTIAL AND FINAL PAYMENTS:
Payments to the SWLA-RPC for services rendered will be made at least monthly based on a certified and itemized invoice detailed to show the names of employees, their classifications, the hours of work and description of work tasks completed.

Upon receipt and approval of each invoice the City of Sulphur will pay the amount shown to be due and payable within forty-five (45) days.

AGREEMENT CHANGES:
Occasionally, during project development, it becomes necessary to affect certain changes and/or modifications in the original proposal scope of work and deliverables. All such changes in budget, time, personnel, objective and scope will be justified by the SWLA-RPC and forwarded to the City of Sulphur for approval.

Any extension in the scope of services required under this agreement or increases in cost will require a fully executed supplemental agreement to this intergovernmental joint cooperative endeavor agreement. The supplemental agreement will establish the extent of changes, extensions and modifications and compensation, therefore.

OWNERSHIP OF GIS MAPS AND DATA:
Maps, illustrations, documents, and Geographic Information Systems data, files and inventories collected or prepared in connection with this work are and will remain the property of the City of Sulphur and available to SWLA-RPC as a reference resource. Any private or public release of the data and maps secured and developed under this intergovernmental agreement may be displayed or transferred solely with the written approval of the City of Sulphur.

DELAYS AND EXTENSIONS:
The SWLA-RPC will be given an extension of time for delays beyond its control such as declared natural disasters or for those caused by tardy approvals of work in progress by various agencies or private entities. If, in the opinion of the Executive Director of SWLA-RPC, circumstances indicate a need for renegotiation, the fees stipulated herein for work accomplished after the delay period will be subject to re-negotiation. It will be the responsibility of the SWLA-RPC to request renegotiation promptly and no fee adjustment will be made for work performed prior to such request.

PUBLICATION OF DATA:
The following provisions will govern publication of resultant data, documents and maps from this project.

(1) SWLA-RPC is permitted to copyright any special GIS software, hardware or technology or other material developed as a part of this agreement for its use and disposition.
(2) Both parties to this agreement will have equal responsibility to review and approve material, data and maps produced under this intergovernmental agreement for public release or reference purposes.
(3) Whenever the SWLA-RPC uses data, maps or documents resulting from the intergovernmental agreement, due credit will be given to the City of Sulphur and SWLA-RPC.

TEMINATION OR SUSPENSION:
The terms of this intergovernmental agreement will be binding upon the parties hereto until the scope of work and deliverables have been completed and accepted by the City of Sulphur and all payments required to be made to SWLA-RPC have been made but this agreement may be terminated under any or all the following conditions:

1. By mutual agreement and consent of the parties hereto.
2. By the City of Sulphur in consequence of the failure of SWLA-RPC to comply with the terms, progress or quality of work in a satisfactory manner, proper allowance being made for circumstances beyond the control of SWLA-RPC.
3. By either party upon failure of the other party to fulfill its obligations as set forth in this agreement.
4. By satisfactory completion of all services and obligations described herein.
5. By the City of Sulphur giving thirty (30) day notice to SWLA-RPC in writing and paying for all previously completed work.

If the termination is made by the City of Sulphur under condition 5 after work has started, the SWLA-RPC will be paid for all billable rate expenses incurred and services rendered based on itemized certification and approved equipment purchases.

Upon termination, SWLA-RPC will deliver to the City of Sulphur a report in complete detail of all findings and all obtained data for the City of Sulphur's use as well as records of the work and maps compiled to the date of the termination and the City of Sulphur will pay in full for all work accomplished up to the date of termination

Should the City of Sulphur desire to suspend the work but not definitely terminate the agreement, this may be done by thirty (30) days' notice given by the City of Sulphur in writing to that effect, and the work may be reinstated and resumed in full force and effect upon receipt from the City of Sulphur of sixty (60) days' notice in writing to that effect.

PUBLIC LIABILITY:
The SWLA-RPC will indemnify, save harmless and defend the City of Sulphur against any claims, losses, liabilities, demands, suits, causes of action, damages, and judgements of sums of money growing out of, resulting from or by reason of any act or omission of SWLA-RPC, its agents, servants, independent contractors, or employees while engaged in, about, or in connection with the discharge or performance of the terms of this agreement. Such indemnification will include reasonable attorney fees and court costs. The SWLA-RPC will provide and bear the expenses of all personal and professional insurance related to its duties arising under this intergovernmental agreement.

CLAIM FOR LIENS:
The SWLA-RPC will hold the City of Sulphur harmless from claims for liens for labor, services or materials furnished to the SWLA-RPC in connection with the performance of its obligations under this agreement.

COMPLIANCE WITH LAWS:
The SWLA-RPC will comply with all applicable Federal, State and Local laws and ordinances, as will all others employed by it in carrying out the provisions of this agreement.

COMPLIANCE WITH CIVIL RIGHTS:
The SWLA-RPC agrees not to discriminate in its employment practice and will render services under this agreement without regard to race, skin color, age, religion, gender, national origin, veteran status, genetic information, political affiliation, or disabilities. Any act of discrimination committed by the SWLA-RPC or failure to comply with the statutory obligations when applicable, will be grounds for termination of this agreement.

DISPUTES:
Any dispute concerning a question of fact in connection with work not disposed of by agreement between the parties hereto will be referred to the District Attorney for Calcasieu Parish for determination, whose decision on the matter will be final and conclusive on the parties to this contract.

SUBLETTING, ASSIGNMENT OR TRANSFER:
In the event the SWLA-RPC elects to subcontract any portion of this intergovernmental joint cooperative endeavor agreement, the SWLA-RPC will notify the City of Sulphur of this intent in writing and will furnish the City of Sulphur with the name and qualifications of the proposed sub. The proposed subcontract will be deemed acceptable to and approved by the City of Sulphur unless the City of Sulphur advises the SWLA-RPC to the contrary in writing within ten (10) days following receipt of such notice by the SWLA-RPC.

COST RECORDS:
The SWLA-RPC and its subcontractors will maintain all books, documents, papers, accounting records and other evidence pertaining to costs incurred relative to this project. Such records will be retained until such time as an audit is made by the City of Sulphur or the SWLA-RPC is released in writing, at which time the SWLA-RPC may dispose of such records. The SWLA-RPC will, however, retain such records for a minimum of five (5) years from date of last payment of the last estimate under this agreement.

SUCCESSORS AND ASSIGNS:
This intergovernmental joint cooperative endeavor agreement will be binding upon and insure to the benefit of the parties hereto, their successors and assigns.

SEVERABILITY:
If any term, covenant, condition, or provision of the intergovernmental agreement or the application thereof to any person or circumstances will, at any time or to any extent, be invalid or unenforceable, the remainder of this agreement, or the application of such term, covenant, condition or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, will not be affected thereby, and each term, covenant, condition, and provision of this agreement will be valid and be enforced to the fullest extent of the law.

VENUE:
The exclusive venue for any suit arising out of this agreement will be the 14th Judicial District Court for the Parish of Calcasieu, State of Louisiana.

IN WITNESS THEREOF, the parties have caused these presents to be executed by their respective officers thereunto duly authorized as of the day and year first above written.

INTERGOVERNMENTAL JOINT COOPERATIVE ENDEAVOR AGREEMENT
between
City of Sulphur, Louisiana and SWLA Regional Planning Commission (SWLA-RPC)

City of Sulphur Transportation Safety Action Plan
Improvement Scope, Work Tasks and Deliverables

The SWLA-RPC will assist the City of Sulphur with the development of the City of Sulphur Transportation Safety Action Plan, funded through the Federal Highway Administration (FHWA) Safe Streets and Roads for All (SS4A) grant program. The project will produce a comprehensive, data-driven Safety Action Plan intended to reduce roadway fatalities and serious injuries within the City of Sulphur.

The Safety Action Plan will evaluate roadway safety conditions throughout the City, with additional focus on corridors and intersections with elevated fatal and serious crash histories, including but not limited to Huntington Street/Ruth Street, East Burton Street, Maplewood Drive, and Cypress Street. The planning process anticipates the inclusion of crash data analysis, lighting assessment, roadway demand review, pedestrian and accessibility review, traffic stress mapping, infrastructure evaluation, stakeholder engagement, and development of prioritized safety strategies and project recommendations.

WORK TASKS:

Project Administration and Grant Coordination
SWLA-RPC will assist the City of Sulphur with general project administration, coordination, documentation, and grant support. This includes coordinating schedules, maintaining project records, assisting with required progress documentation, supporting reimbursement and reporting materials, and serving as a point of coordination between the City, City Engineer (Meyer & Associates), FHWA, subcontractors, stakeholders, and other project partners.

Subcontractor Identification, Recruitment, and Oversight
A significant role of SWLA-RPC will be to assist the city in identifying, recruiting, procuring, coordinating, and overseeing qualified subcontractors or consultants needed to complete specialized technical work for the Transportation Safety Action Plan. Such work may include engineering assessments, crash data analysis, street lighting level readings, roadway infrastructure review, pedestrian and accessibility analysis, traffic stress analysis, public engagement support, and other technical evaluations necessary to complete the plan.

SWLA-RPC may assist with preparing scopes of work, reviewing qualifications, coordinating subcontractor schedules, monitoring progress, reviewing invoices and work products, and ensuring subcontractor deliverables are consistent with the approved grant scope and City expectations.

GIS Mapping, Website Development, and Project Data Support
SWLA-RPC will provide GIS mapping, spatial analysis, and related data support necessary to assist in the development of the Safety Action Plan. This may include preparing maps, tables, figures, and data products showing crash locations, priority corridors, intersections, roadway safety concerns, lighting conditions, pedestrian safety issues, accessibility considerations, and other relevant project information.

SWLA-RPC will provide development and maintenance of a project website or webpage on the City of Sulphur website to support public access to project information and host the final Transportation Safety Action Plan.

Public and Stakeholder Engagement
SWLA-RPC will oversee the creation of the advisory committee and subsequently coordinate meetings, agendas, public recordings. Subtasks will include the preparation of maps and presentation materials, creation of meeting agendas, and transcription of meeting minutes.

SWLA-RPC will oversee several stakeholder engagement meetings which will gather input from city departments, public safety agencies, residents, businesses, anchor institutions, local non-profits, and other stakeholders to summarize public input for inclusion in the final plan.

SWLA-RPC will also assist with public meetings and public input opportunities intended to provide residents and community members with access to project information and an opportunity to comment on transportation safety needs within the City of Sulphur. Public input may be gathered through public meetings, advisory committee meeting public comment sections, and written comments from online forms, surveys, or other outreach methods.

Draft and Final Safety Action Plan
SWLA-RPC will assist with preparation, review, and completion of the Draft and Final Safety Action Plan. The plan will summarize the data analysis, stakeholder input, priority safety issues, recommended strategies, project priorities, and implementation considerations. SWLA-RPC will coordinate review by the city and relevant stakeholders and support preparation of the final document for public availability.

DELIVERABLES:
Deliverables for the City of Sulphur Transportation Safety Action Plan include:

- Project coordination records, including project schedules, progress summaries, coordination notes, and documentation of communication between the City of Sulphur, SWLA-RPC, FHWA, City Engineer (Meyer & Associates), subcontractors, stakeholders, and other project partners.

- Quarterly progress documentation and progress reports.

- Meeting materials and records, including agendas, sign-in sheets or attendance records, presentation materials, recordings where applicable, and meeting minutes for advisory committee, stakeholder, public engagement, and project coordination meetings.

- Subcontractor support materials, including draft scopes of work, procurement support documentation, coordination records, invoice review support, and reviewed subcontractor work products.

- GIS maps, tables, figures, and data products identifying crash locations, priority corridors, intersections, safety concerns, infrastructure conditions, lighting issues, pedestrian and accessibility needs, and other relevant project information.

- Draft Transportation Safety Action Plan for City review, stakeholder review, and revision, which includes proposed countermeasures, policy or program recommendations and implementation considerations.

- Final Transportation Safety Action Plan suitable for public release, submission as needed, and posting on a publicly available website.

- Project website or webpage content, including project information, public-facing materials, and the final Transportation Safety Action Plan, as coordinated with the City of Sulphur.

All work will be performed in coordination with the City of Sulphur and will remain consistent with the approved SS4A grant scope, applicable federal requirements, and the terms of the Intergovernmental Agreement. Specific deliverables, schedules, formats, and levels of detail may be adjusted by mutual agreement of the City and SWLA-RPC based on project needs, subcontractor input, available data, and approved budget limitations.

ORDINANCE NO. _____ M-C SERIES

ORDINANCE SETTING FORTH SEPTAGE HAULER RATES FOR THE CITY OF SULPHUR.

BE IT ORDAINED by the City Council of the City of Sulphur, Louisiana, the governing authority thereof, that they do hereby authorize the following rates to be charged to septage haulers in accordance with Section 3.3.3 and Section 3.4.4 of the User Charge and Sewer Use Ordinance as follows:

Section 1. Rates to be charged to septage haulers:

BOD5 (treatment and disposal)	$1.2787 per pound of BOD5 (8,000 mg/l, minimum)
TSS (treatment and disposal)	$0.7176 per pound of TSS (30,000 mg/l, minimum)
BOD5 (treatment and disposal)	$85.32 per 1,000 gallons at 8,000 mg/l
TSS (treatment and disposal)	$179.5324 per 1,000 gallons at 30,000 mg/l
Total Charges	$264.85 per 1,000 gallons at minimum concentration levels
Residential Sewer Rate	$33.2000 per month
Annualization Factor	12
Resulting Annual Permit Fee	$398.40

BE IT FURTHER ORDAINED that this Ordinance shall become effective upon the Mayor's signature.

APPROVED AND ADOPTED by the City Council of the City of Sulphur, Louisiana, on this _____ day of _____, 2026.
